

SEO Case Study: www.evictatenant.co.uk

Thornton Law having launched www.evictatenant.co.uk realised that the online competition for eviction services was strong and knew they had to move up the search engine rankings to attract more work.

Thornton Law was recommended to use Software Services UK SEO services to give their site the lift in the search engine rankings it needed.

Software Services UK analysed their site and the current online competition to produce a 6 month Search Engine Marketing Plan. www.evictatenant.co.uk was placed on the Software Services UK Silver SEO package as recommended by the initial site analysis. After 6 months 10 of the 10 key phrases ranked on page 1 of the search engines.

Thornton Law continues employ Software Services UK SEO Packages on several of their websites to ensure they rank well on all search engines.
